Foundation Directory Instructions

1. The best way to access the database is through the FSU Libraries website:
<http://lib.fsu.edu>.
2. On this homepage, select Find a Database under the I Need To... menu.
Type Foundation Directory Online in the Option 1 search box.
3. If you are off-campus, you will need to sign in using your FSU ID and password.
4. The home page offers multiple ways to search for foundations and pertinent information about them. An easy way to search is to select the tab labeled Search Grantmakers.
5. If you know the foundation you are interested in applying to, you can easily search by name using the Grantmaker Name field.
6. If doing a broad search based on a particular field, then the Fields of Interest option is more applicable. Also, by clicking View Index under Fields of Interest, you will be provided with an alphabetical listing of popular funding topics.
7. If there is a foundation you want to contact or apply to, please contact a Corporate and Foundation Development team member for more details and assistance.
